4th AMI Orientation Course for the 6- to 12-year old child in Meilen

4th AMI Orientation Course for the 6- to 12-year old child

on four weekends
in November, December 2021 and
January 2022

Aim:

The intention of the Orientation Course is to get basic information regarding Dr. Maria Montessori's approach especially in an elementary setting.

Audience:

The Orientation Course is offered to help interested adults become informed, capable, and supportive assistants to a trained elementary teacher.

Further, the programme may serve as an information course for administrators of schools and parents.

Course Content:

- Life and Work of Maria Montessori
- Introduction to Montessori's theory of human development
- The prepared environment for the second plane
- The plan for the elementary child
- Freedom and Responsibility
- Interacting with the elementary child
- Assisting the trained AMI teacher

Required Reading:

- To educate the Human Potential
- The Formation of Man
- Education and Peace

Course Requirements:

- 90% attendance during lectures
- 9 hours of observation in an AMI Montessori- Classroom
- 3 written essays with 500 words;
