

AMI 3-6 Assistant Course Adjunct | Part 2 (on site) | course content

The Montessori Orientation Course for Ages 3-6 is a theoretical introduction to the developmental characteristics and needs of children ages 3-6. It supports understanding of this developmental stage for parents, caregivers, school staff, or any individual seeking general knowledge about Montessori developmental theory and education.

Successful participation in all Orientation Course Requirements leads to award of the AMI Orientation Course „Certificate of Completion“ at the 3-6 level.

Course content

- Overview of the Montessori 3-6 prepared environment
- The role of the lead adult in the Montessori 3-6 prepared environment
- The role of the assistant in the Montessori 3-6 prepared environment
- Exploration of activities appropriate to the assistants role (observation, spoken language activities, listening to children, the adult as a model for the children, grace and courtesy, activities for music and art)
- Supporting functional independence
- Montessori material (material making, material maintenance, techniques for presentations)
- Maintaining the environment
- Communication with the lead adult in the environment
